## 2020 East Ayrshire Car Club Sprints

Dear Competitor

On behalf of East Ayrshire Car Club, we look forward to welcoming you to another year of sprinting at Kames Motorsport Complex.

Once again our events are rounds of the **Scottish Sprint Championship, Lowland Speed Championship, Scottish Speed Championship and The Cross Border Speed Championship** and we welcome competitors in all these championships.

In order to make these events fun, run both efficiently and safely there are a number of rules which we require all competitors to adhere to.

### Entry

The preferred method of entry is online at [www.eastayrshirecc.co.uk/sprints](http://www.eastayrshirecc.co.uk/sprints), but alternatively you may use the entry form which is at the back of these supplementary regulations. In the situation that the entry list is full, a reserve list will be run. We appreciate if you would notify any cancellations as early as possible in order that another competitor may take your place.

### When You Arrive at Kames

Directions to Kames are available from our website [www.eastayrshirecc.co.uk](http://www.eastayrshirecc.co.uk). Please use the top entry gate only (opposite the clock tower). This has been widened and set back from the road for ease of access. Please be mindful that residents of Muirkirk live on this road, so noise should be kept to a minimum (particularly if you are arriving early in the morning or late in the evening). If you are arriving on the evening before the event, please contact me in order that access to the complex may be arranged. Details on available accommodation in the area are available from our website. Alternatively, there is a caravan park less than 5 minutes walk from the complex.

The road should not be blocked by cars or trailers at any time and we also request that all generators are turned off between 10pm and 8am.

When practice starts the top entry gate will then be closed to competitors. If you arrive after this time, please use the lower entry gate and off-load your car in the trailer park, as the lower paddock will be in full use. Please contact the paddock marshal if you need assistance.

### Trailers

When you arrive at the complex, please unload your car in the lower paddock and promptly remove your trailer to the trailer park. Please park your trailer around the perimeter of the trailer park and try to avoid blocking others in or stopping others from using valuable space.

Please use the trailer parking as designated and do not abandon trailers on the grass area in front of the old toilets as this space is required for campers and access. Please check your paddock space in advance or check with the paddock marshal and park your car in the correct paddock space as quickly as possible.

### Signing On

Please sign on promptly in the cabin at the end of the top paddock. Please note that your number, if possible, will be the same for both days of an EACC double-header event but there may be a requirement to change. This will be defined in the event final instructions.

### The Event

The Clerk of the Course will conduct a briefing before the start.

Cars will run as per the running order published for the event. The paddock marshal will control the flow of vehicles to the start line and all drivers should be vigilant and ready to go when the paddock marshal calls them. If you are not at your vehicle ready to go at the appropriate time, you may forfeit your run as time is short and events must run efficiently in order to finish on time, in accordance with Motorsport UK regulations.

Tyre warming is allowed at Kames in the allocated tyre warming area only. This will be made clear on the day.

Marshals will confirm the end of your run using a chequered flag. Please note that, when running anti-clockwise, the chequered flag will be visible at Post 2, but the finish line is a further 50m along the track at the "Bus Stop".

When you leave the track, please go directly to your paddock place, but adhere to the paddock speed limit of 5mph as members of the public as well as other drivers are likely to be walking around.

Results will be posted at regular intervals on the screens in the clubhouse and on the www.

### After the Event

The awards will be presented in a brief presentation as soon as possible after the results are finalised.

If you are leaving the event before the end of the day please show consideration for those still competing, retrieve your trailer only when it is safe to do so, and load your car up without impeding the running of the event.

Thank you for your support. EACC look forward to you competing at Kames in 2020.

## Declaration by Competitors

I declare that:

1. I have been given the opportunity to read the General Regulations of Motorsport UK and, if any, the Supplementary Regulations for this event and agree to be bound by them. I declare that I am physically and mentally fit to take part in the event and I am competent to do so. I acknowledge that I understand the nature and type of competition and the potential risk inherent with motor sport and agree to accept that risk. I understand that motor sport can be dangerous and accidents causing death, injury, disability and property damage can and do happen. I understand that these risks may give rise to my suffering personal injury or other loss and I acknowledge and accept these risks.
2. To the best of my belief the driver(s) possess(es) the standard of competence necessary for an event of the type to which this entry relates and that the vehicle entered is suitable and roadworthy for the event having regard to the course and the speeds which will be reached. The use of the vehicle hereby entered will be covered by insurance as required by the law which is valid for such part of this event as shall take place on roads as defined by the law.
3. I understand that should I at the time of this event be suffering from any disability whether permanent or temporary which is likely to affect prejudicially my normal control of the vehicle, I may not take part unless I have declared such disability to Motorsport UK which has, following such declaration, issued a licence which permits me to do so. I undertake that at the time of the event to which this entry relates I shall have passed or am exempt from an ASN specified medical examination within the specified period. (H10.1.6)
4. Any application form for a Licence which was signed by a person under the age of 18 years was countersigned by that person's parent/legal guardian/guarantor, whose full names and addresses have been given.
5. If I am the Parent/Guardian/Guarantor of the driver I understand that I shall have the right to be present during any procedure being carried out under the Supplementary Regulations issued for this event and the General Regulations of Motorsport UK. As the Parent/Guardian/Guarantor I confirm that I have acquainted myself and the minor with the Motorsport UK General Regulations, agree to pay any appropriate charges and fees pursuant to those Regulations (to include any appendices thereto) and hereby agree to be bound by those Regulations and submit myself without reserve to the consequences resulting from those Regulations (and any subsequent alteration thereof). Further, I agree to pay as liquidated damages any fines imposed upon me up to the maxima set out in Part 3, Appendix 1. Note: Where the Parent/Guardian/Guarantor is not present there must be a Guardian who must produce a written and signed authorisation to so act from the Parent/Guardian/Guarantor as appropriate.
6. I hereby agree to abide by the Motorsport UK Safeguarding Policy and Guidelines and the National Sporting Code of Conduct.
7. I have read and fully understood the regulations for Control of Drugs and Alcohol as contained in the Competitors' and Officials Yearbook Regulations H39, D35.1, G15.1.4 and have also fully familiarised myself with the information on the web sites referred to ([www.motorsportuk.org](http://www.motorsportuk.org), [www.ukad.org.uk](http://www.ukad.org.uk) and [www.wada-ama.org](http://www.wada-ama.org)) in particular the UK Anti Doping Rules which have been adopted by Motorsport UK. Further, if I am counter-signing as the parent or Guardian of a minor then in addition to the deemed consent to the testing of that minor (UK Anti-Doping Rule 5.7.2) I hereby confirm that I give such consent for the minor concerned to be so tested.
8. I understand that my personal data is being processed solely for the purposes of running this event and will be handled by the organisers in accordance with Motorsport UK data protection policy which can be found at [www.motorsportuk.org/data-protection](http://www.motorsportuk.org/data-protection).

**Indemnity:** In consideration of the acceptance of this entry I agree that neither any one of or any combination of Motorsport UK and its associated clubs, the organisers, the track owners or other occupiers, the promoters and their respective officers, servants, representatives and agents (the "Parties") shall have any liability for loss or damage which may be sustained or incurred by me as a result of participation in the Event including but not limited to damage to property, economic loss, consequential loss or financial loss howsoever caused. Nothing in this clause is intended to or shall be deemed to exclude or limit liability for death or personal injury. To the fullest extent permitted by law I agree to indemnify and hold harmless each of the Parties in respect of any loss or damage whatsoever and howsoever arising from my participation in this event.

## Information for commentary

We'd appreciate if you could give us some background information on yourself and car to use in the commentary. We will be having a commentary throughout the afternoon, plus updates on scores as they become available. The commentary attracts spectators and they pay to see the "show" which helps offset running costs, keeping entry fees down and lets us reinvest in Kames. We'll mention your sponsors which may help keep them sweet for next year!

Please give me as much info as you can and don't put "too much to mention" or assume we know all about you and your car.
