1.6 Scoring

At the end of the season, all those registered competitors who have competed in any of the Championship rounds will be eligible for inclusion in the final results. Awards will be restricted to registered competitors who have competed in a minimum of four Championship rounds.

1.6.1 The maximum QUALIFYING SCORE is the aggregate of the points gained at Nine (9) of the Championship rounds run in the year, the lowest event scores being dropped.

The fastest of any competition run offered at each qualifying round shall count for Championship scoring.

If fewer than Fourteen (14) events run, the number of scoring rounds will be calculated using the following formula: $n = \text{INT}(n_{\text{Tot}}/2)+1$ (The integer result of half of the total number of events, plus one).

Event dates may be changed or events substituted if required, subject to, and in accordance with D11.1.* in the current Motorsport UK Yearbook. The number of rounds will not be increased.

Overall Championship event scoring will be on ranked best time, with the highest placed driver awarded Twenty Five (25) points, and subsequent ranks scored on a diminishing integer scale. Event drivers who are not registered Championship entrants will be ignored.

Championship Class event scoring will be on ranked best time with the highest placed driver awarded Ten (10) points, and subsequent ranks scored on the following diminishing scale : 8, 6, 4, 3, 2, 1. Event drivers who are not registered Championship entrants will be ignored.

1.6.2 Resolving Ties

In the event of a tie for an award, comparative event results rankings for those events at which the affected competitors' jointly competed will be considered. The competitor who outranks the others across this subset will be considered the winner. If this does not produce a result, then the competitor with the best average of their best two timed runs on each day of the XBC October Kames Sprint Weekend will be considered the winner.

1.6.3 Championship Points Appeal

Appeals arising out of Championship points awarded should be in accordance with C6.5.1 of the current Motorsport UK Yearbook.

1.7 Awards

1.7.1 General information

Awards will apply to competitors who are registered in the current Championship, have competed in a minimum of Four (4) rounds, and who have qualified for an award as per Section 1.6 of these regulations. Award winners will be responsible for the collection of their awards.

Perpetual Annual Awards must be returned in good condition, and in good time for re-presentation the following year.

All drivers who compete in a minimum of the number of scoring Championship rounds, in the absence of any other award, will receive a loyalty award.

Competitors may enter no more than two cars in the Championship and no more than two drivers may drive the same car. A competitor may not enter more than one car in the same class. A car may not be entered in more than one class. Championship scores may not be amalgamated across classes.

3.2 Event Entries

Each registered competitor should themselves obtain regulations and an entry form for each qualifying round in the championship. Queries regarding the individual events should be directed to the organising club. Contact details can be found in Section 1.5.2 of these regulations.

Organising clubs of the individual events will endeavour to accept entries from registered competitors. However, they are neither bound to accept entries received after the event closing date, nor to displace another non-registered entrant who has properly entered for an event.

3.3 Vehicle Substitution

In the event of vehicle damage or inoperability, a competitor may substitute another vehicle during the course of the Championship where the substitute vehicle is in the same class as the original entry. A competitor must notify the Championship Coordinator by email of any substitution prior to the use of the substitute vehicle. This must be done in order that any scores gained can be credited to that competitor. There will be no limit to the number of substitutions that can be made.

3.4 Class Allocation

The Championship Coordinator will endeavour to ensure that entries are entered in the appropriate class. Competitors are reminded that failing to disclose modifications that would make them ineligible for the class as entered may result in exclusion from the championship.

3.6 Communication

The preferred method of communication for championship administration, results and other relevant information to competitors shall be email.
