Important - Covid-19 Restrictions

Whilst we shall endeavour to run a complete series of events to our normal high standards in 2021, competitors need to appreciate that certain aspects of the event could be restricted (possibly at short notice) for the event to be "Covid-safe".

Such changes may include (but are not limited to) introduction of additional social distancing measures, restricting the number of entries, acceptance of entries online only and not by post, restricting the number of people accompanying each competitor, event documentation including times &/or results distributed by email only, no spectators, withdrawal of on-site catering, withdrawal of overnight camping facilities, cancellation of / changes to the awards presentation.

We appreciate that if any of the above are implemented such restrictions may not please everyone, but we have a clear responsibility to ensure the safety of everyone on and off the track. Thank you for your understanding during these unprecedented times.
