The Cross Border Speed Championship

East Ayrshire Car Club

XBC October Kames Sprint Weekend Saturday 01/10/2022 & Sunday 02/10/2022

Dear Competitor

On behalf of the Cross Border Speed Championship (XBC) and East Ayrshire Car Club (EACC), we would like to welcome you to our season closing event at Kames Motorsport Complex.

This weekend event is part of the **Cross Border Speed Championship (XBC)**, the **Scottish MX5 Hillclimb & Sprint Register Championship**, the **Lowland Speed Championship**, the **Scottish Sprint Championship** and the **The East Ayrshire Car Club Championship**. We are delighted to welcome competitors from all of these championships.

Entry

The method of entry is online at www.CrossBorderSpeed.co.uk

The closing date is one week before the event. If the entry list becomes full, a reserve list will be maintained. We would appreciate notification of competitor cancellation as early as possible in order that another competitor may be provided with a place.

Track Location

Kames Motorsport Complex
Furnace Road
Muirkirk
KA18 3QQ

Google Maps Link : <https://goo.gl/maps/U2ZLK>

When You Arrive at Kames

Please use the top entry gate only (opposite the clock tower). This has been widened and set back from the road for ease of access. Please be mindful that residents of Muirkirk live on this road, so noise should be kept to a minimum (particularly if you are arriving early in the morning or late in the evening). Access will be available on the day before the event from around 16:00 onwards, and overnight camping is welcomed.

The public road should not be blocked by cars or trailers at any time.

We also request that all generators are turned off by 10pm.

When practise starts the top entry gate will be closed to competitors. If you arrive after this time, please use the lower entry gate and unload your car in the trailer park, as the lower paddock will be in full use. Please contact the paddock marshal if you need assistance.

Road Cars

When you arrive at the complex, please unload your car in the lower paddock and promptly remove your trailer to the trailer park. Please park your trailer around the perimeter of the trailer park and try to avoid blocking others in or stopping others from using valuable space.

Please use the trailer parking as designated. Please check your paddock space in advance or check with the paddock marshal and park your car in the correct paddock space as quickly as possible.

Single Seaters

Racing cars have a larger allocation, with space allowed for support vehicles in the lower paddock.

Signing On

This must be done on-line prior to the event, along with the upload of an image of your current Motorsport UK licence (both sides), and a current Club Membership Card (both sides if required). Please note there will be no option of signing on in person at Kames.

The Event

The Clerk of the Course will provide a briefing on-line, which will be available prior to the event. Please note that in line with East Ayrshire Car Clubs environmental goals, tyre warming by spinning wheels, and single use plastic tyre coverings are no longer permitted at Kames Motorsport Complex.

Cars will run as per the running order published for the event. A paddock marshal will control the flow of vehicles to the start line and all drivers should be vigilant and ready to go when the paddock marshal calls them. If you are not at your vehicle ready to go at the appropriate time you may forfeit your run as time is short and events must run efficiently in order to finish on time, in accordance with Motorsport UK regulations.

The event will run in a clockwise direction on Saturday, consisting of 3 laps, and anticlockwise on Sunday, consisting of 2.8 laps. Marshals will confirm the end of each run using a chequered flag. When you leave the track, please go directly to your paddock place, but adhere to the paddock speed limit of 5mph for the safety of others.

Results and Awards

Results will be made available at regular intervals as is possible.

The awards will be available as soon as possible after the event results are declared final. We would ask that if at all possible you attend the awards presentation (COVID permitting), and show your support for fellow competitors. It is also intended that a special award will be presented, which you may have won.

If you are leaving the event before the end of the day please show consideration for those still competing, retrieve your trailer only when it is safe to do so, and load your car up without impeding the running of the event.

Thank you for your support. The XBC Team look forward to welcoming you to the October Kames Sprint Weekend.
